

**Aphasia** is a **language impairment** from a **stroke, brain injury, or brain illness.**

Aphasia **affects** everyone **differently.**

# I have Aphasia.

My **thinking** and **intelligence** are **intact**.

Be **patient**

Give me **time**

**Speak slowly** but **naturally**

Give me a **way** to **respond**:

Ask **yes** or **no** questions

Give me **written choices**

**I know more than I can say.**
